

## PROFILE

Hello, I am ISHAL, Programmer with 12+ years of experience using PHP, Laravel, Java Mobile, Flutter to develop, test and observe applications that have been created. Have designed and developed more than 30 apps. Looking for new experiences to gain additional knowledge. I am not a hypocrite so that's why I also want to earn more money so that I can help others in the future.

**I hope to be given the opportunity to work. I like remote using git.**
